

Throughout the year, we like to reach out to our extended family and update them on their grandchildren's progress at JCDSRI. In the spring, we invite our special friends to join us in school for the morning. Please help us communicate with our grandparents by filling out the information below and returning it to the Administrative Offices.

If you would like to help plan our Special Visitors Day in the spring or are available to help with special mailings to our friends, please contact Naomi Stein Admissions Director, at (401) 751-2470, ext. 16.
