## The JCDSRI PARENTS ASSOCIATION

Many of us are working parents and are very busy, just like you. There are ways for all families to offer their time and talents to their child(ren)'s school. We ask that every parent becomes involved and give some of their time to the JCDS community. **We encourage you to sign up for at least two programs.** Our PA offers you many great opportunities to get involved in the life of our school. The PA supports many of the school's programs as well as raising funds for many important aspects of school life. Volunteering is vital to the well-being of our community and also sends our children a wonderful message that we want to be involved in their education.

After you have made your selection for volunteer opportunities, we will contact you!
