MY SUMMER READING RECORD

NAME _____ Grade _____

I would like to read _____ books this summer.

Dear Student,

We hope you have a wonderful summer. Don't forget to read daily. There are many terrific books just waiting for you to read. You may add extra sheets of paper, make your own reading record, or submit a public library record.

Bring your record to the Library in September for a certificate and prize. **List the books you have read or that have been read aloud to you.** To qualify, you must **read more books than the three** required summer readings.

See you in September! Mrs. White, Librarian & Library Bear
